

## Objectives...

- ◆ Provide a means whereby those engaged in the safety programs of Oregon schools can meet, discuss and study all phases of school safety.
- ◆ Cooperate with any organization for the betterment of school safety.
- ◆ Strive constantly for the highest standards of efficiency and effectiveness in safety methods and practices.
- ◆ Work for the improvement of school safety officials' qualification standards.
- ◆ Strive for the improvement of school safety.
- ◆ Promote and encourage any legislation that is necessary for the foregoing objectives.

## Who can be a member?

Active members can be anyone who:

- Is a school district employee directly connected to district safety programs.
- Is an official or employee of education service districts or the Oregon Department of Education who is directly concerned with safety programs in Oregon schools.
- Is an Oregon college or university faculty member who is interested in school safety programs.

Associate members can be anyone who:

- Is not eligible for active membership. Associate members are nonvoting.

## What are the benefits?

As a member you will:

- Be able to participate in the Annual Summer Workshop at a reduced rate. You'll also be able to network with fellow safety officers from across the state.
- Receive regular newsletters with the latest school safety information as well as association news.
- Be able to participate in a members only Listserv. You'll be able to send and respond to requests for information to fellow safety officers across the state.
- Have access to a network of professionals who can assist your district in solving safety issues.
